

Press Release

Marcel COMBOT appointed President of COCERAL

Brussels, 30 May 2011

COCERAL has announced today the election of Marcel COMBOT as President of COCERAL

Marcel COMBOT, a representative of the SYNACOMEX French cereals trade association and grain and oilseeds country lead at Cargill group in France, was elected President of COCERAL by the General Assembly on the 25 of May in Geneva. Succeeding Margaretha Minser, Marcel will serve two-year term till 2013.

After being elected, Marcel COMBOT emphasized the permanently evolving business environment and highlighted the main task which COCERAL will face in the forthcoming years, that is: to help in creating the environment in which the trade and related activities could properly achieve their objectives and fulfil their mission, and operators could properly serve across the supply chain.

The General Assembly elected also Mr. Paul DELLA TOLLA, from SEEDYZ (Greece) as Vice-President and Mr Stefan VOGEL from VdG (Germany) as Chair of the COCERAL Market and Agricultural Policy Section.

END.

COCERAL is the voice representing the European cereals, rice, feedstuffs, oilseeds, olive oil, oils and fats and agrosupply trade. The members of COCERAL are the national trade organizations of most of the EU-27 Member States, who for their part represent collectors, distributors, exporters, importers and agribulk stores of the above mentioned commodities.
