

## Press Release

### UNISTOCK elects new president and vice-president

**Brussels, 21 June 2019**

UNISTOCK Europe, the European association of professional portside storekeepers for Agribulk commodities within the European Union, elected a new President and Vice-President during its Annual General Assembly held in Rouen in June 2019.

The new President – Andrés Gomez Bueno, Director General of Grupo Gof, and the Vice-President – Frank Peeters, Managing Director of Eurosilos, will fulfill a three-year mandate running until June 2022.

Andrés Gomez Bueno highlighted that *“Unistock members play a very important role in the food and feed value chain, and in the grain exporting industry. These roles are little known by the general public.”*

*“There is a lot to gain by improving communication between private Agribulk port operators and the European institutions, as we share the same goals”, he added. “Our mission is to deliver healthy food and feed raw materials, and our members take all necessary measures to protect our environment.”*

*“UNISTOCK has been active for a long time and we hope to keep on growing stronger each day,”* concluded Andres Gomez Bueno, new president of Unistock.
